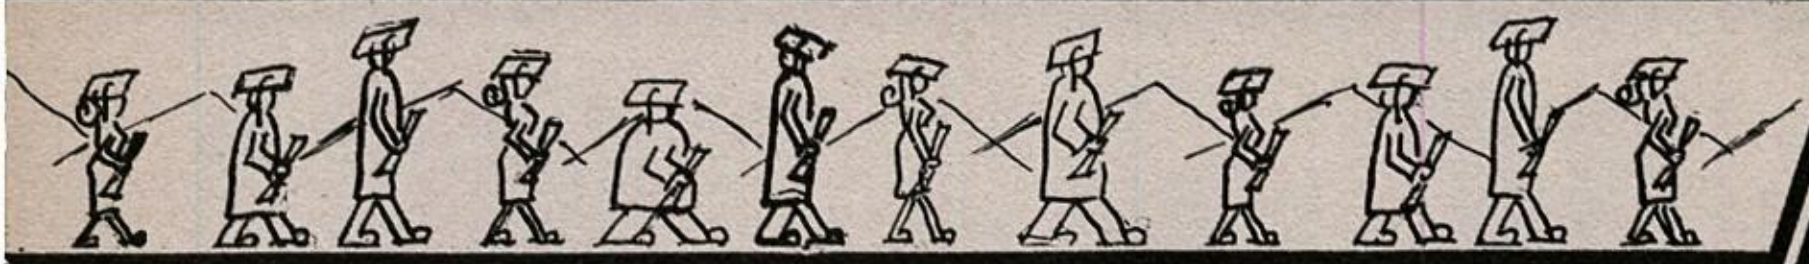
The TOWER

PAST

Our genial Mr. Hardy Hess has seen a quarter of a century come and go at U.H.S. During that time. Mr. Hess has taught nearly every course in the curriculum and now is director of the diversified occupations program.

In view of his long and faithful term of service, we dedicate this 1951 Tower to Mr. Hess.

FUTURE



Mr. Woodrow W. Purdy, our new superintendent, comes to us at the beginning of a new era. Formerly superintendent of schools at Rockford, Ohio, Mr. Purdy has assumed the responsibilities of the completion of the building program and the extension of the curriculum.

Administration

Our school nurse, Mrs. Marjorie Gaymon, is an especially valuable member of our faculty. Our school health is safeguarded by her watchfulness.

Mary Ellen Padolick, the secretary of our principal, is one of the vital cogs in our school machinery. Not only the nature of her work, but her pleasant attitude and willingness to help make her a valuable asset to both teachers and students.
